NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

ScottishPower is part of the Iberdrola Group, which uses Go Supply as its global supplier registration partner.

Go Supply is a qualification system under Article 77 of Directive 2014/25/EU, which is

operated by Go Supply. The platform provides a system for ScottishPower to select suppliers for invitation to participate in regulated procurement procedures. The platform can be accessed at the following URL: <https://www.mygosupply.com> Go Supply may also be used in the compilation of tender lists below the EU thresholds.

ScottishPower may alternatively make separate calls for competition in OJEU for certain individual requirements.

Go Supply is based on a coding system for works, supplies and services against which suppliers are registered on the system. The full list of Iberdrola product codes is available at the following URL: <https://www.mygosupply.com>

Vendors not already registered with Go Supply should apply using the contact details at Section I.1) in order to ensure that their details are available to ScottishPower.

Vendors already registered on Go Supply must ensure that their registration details are up to date in order to remain visible to ScottishPower. This can be done by visiting:

<http://www.mygosupply.com> and logging in using their unique login details.

II.2.11) Information about options

Options: No
