#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The Trust are currently part of the NHS Diabetes Prevention Programme outsourced to Leeds Teaching NHS Trust. Leeds Teaching NHS Trust are the Trust delegated to lead the service.

The NHS Diabetes Prevention Programme focuses on identifying and supporting those at risk of type 2 diabetes. Additionally, there are regional and national networks dedicated to improving the care and outcomes for children and young people with diabetes. These networks work to share best practices, develop care standards, and improve the quality of diabetes care.

The NHS Diabetes Prevention Programme Identifies individuals at risk of type 2 diabetes based on blood test results (HbA1c and fasting plasma glucose) or previous gestational diabetes, it provides a tailored, nine-month, evidence-based lifestyle change program to help people reduce their risk

#### **II.1.5) Estimated total value**

Value excluding VAT: £36,480

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2.4) Description of the procurement**

The Trust are currently part of the NHS Diabetes Prevention Programme outsourced to Leeds Teaching NHS Trust. Leeds Teaching NHS Trust are the Trust delegated to lead the service.

The NHS Diabetes Prevention Programme focuses on identifying and supporting those at risk of type 2 diabetes. Additionally, there are regional and national networks dedicated to improving the care and outcomes for children and young people with diabetes. These networks work to share best practices, develop care standards, and improve the quality of diabetes care.

The NHS Diabetes Prevention Programme Identifies individuals at risk of type 2 diabetes based on blood test results (HbA1c and fasting plasma glucose) or previous gestational diabetes, it provides a tailored, nine-month, evidence-based lifestyle change program to help people reduce their risk

The Trust has decided to proceed with the Provider Selection Regime direct award C to Leeds Teaching NHS Trust. The decision has been made due to already having a current SLA in place with the supplier, as well as the supplier being the delegated lead Trust to deliver the service as part of the NHS Diabetes Prevention Programme (DPP). The Service will run for a further 24 months retrospectively from 01st April 2025.

### **II.3) Estimated date of publication of contract notice**

21 August 2025
