Lot constraints

Description of how multiple lots may be awarded:

Tenderers may apply for all 6 Lots, although they can only win a maximum of 5 Lots. In the event a Tenderer is ranked No1 in all 6 Lots, they will be awarded lots in order of their highest to lowest preference out of the six available lots. We would then default to the No2 ranked Tenderer for the lot the No1 ranked had least preferred/rejected.

A minimum of 2, and maximum of 6 Tenderers will be appointed across all 6 Lots. One Tenderer will be appointed to each Lot.
