ENVWLB00386R

Description

Local Resource Option Screening Study in the Wickham Market area. We are seeking a contractor to identify, screen and rank local water resource options for a group of farms. Of the top three options, one will be Water Sharing between some or all in the group. The study will include yield and cost of each of the three options. The final report is submitted by the contract end date.

Total value (estimated)

- £30,000 excluding VAT

- £36,000 including VAT

Below the relevant threshold
