Scope

Description

PLEASE NOTE: Specialists must hold up to date accreditations to supply and install Avigilon equipment.

The Royal Borough of Kensington and Chelsea (RBKC), is seeking an organisation with appropriate industry accreditations and experience, to deliver Specialist Works in relation to CCTV and Server Upgrades in line with all current Regulations, Approved Codes of Practice and Industry Requirements.

The works required, are for the decommissioning and removal of in-situ CCTV cameras and servers, so that new upgraded equipment can be installed.

The successful bidder shall work in collaboration with the Council's Project department for Social Housing and Investment Property alongside the Council's Data, Digital and Technology department and Security department.

Specialists must hold up to date accreditations to supply and install Avigilon equipment.

Specialists who do not hold up to date accreditations to supply and install Avigilon equipment shall not be considered for these works and should not bid on this opportunity.
