II.1.4) Short description

Cambridgeshire County Council and Peterborough City Council require the provision of a National Child Measurement Programme. This is a competitive procurement under the Provider Selection Regime (PSR)

The NCMP is a national programme which involves the weighing and measuring of primary school children. It is a mandated Public Health function, which must be commissioned by the Local Authorities who have direct responsibility for it.

School age children in Reception (aged four to five years) and Year 6 (aged ten to eleven

years) have their height and weight measured routinely each academic year, and parents/carers are sent a feedback letter with the child's weight status (underweight, healthy weight, overweight or very overweight). In Cambridgeshire and Peterborough, there are an estimated 20,000 pupils to be screened each year, involving over 280 primary schools.

II.2.4) Description of the procurement

The NCMP is a national programme which involves the weighing and measuring of primary school children. It is a mandated Public Health function, which must be commissioned by the Local Authorities who have direct responsibility for it.

School age children in Reception (aged four to five years) and Year 6 (aged ten to eleven years) have their height and weight measured routinely each academic year, and parents/carers are sent a feedback letter with the child's weight status (underweight, healthy weight, overweight or very overweight).

The aim of the NCMP is to gather population-level data to increase understanding of weight issues in children, monitor changes, and inform future commissioning and childhood obesity strategies. Locally, the data also helps to identify the areas with the most need (often more deprived areas) and help target interventions to these schools/geographical locations.

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) Contract Notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The publication of this notice marks the start of the standstill period. Representations by providers must be made to the relevant authority by midnight at the end of the 8th of September 2025.

This contract has not yet formally been awarded; this notice serves as an intention to award a contract under the competitive process of the PSR.

Written representations should be sent to
ProcurementandCommercial@cambridgeshire.gov.uk FAO Thomas Clarke.

Award decision makers:

Award of contract was approved by Cambridgeshire County Council's Executive Director for Adults and Health Commissioning and Peterborough City Council's Director of Public Health.

Conflicts of Interest - No conflict of interested were declared prior to, or during, the preparation of the tender excise, the evaluation or moderation period or the award of the contract.

Relative importance of the key criteria: The decision was made through an evaluation methodology covering the 5 criterion. The greatest weighting were applied to quality and innovation and value.

Quality and Innovation was weighted highly as it was imperative that due to the nature of the service specification and expectations regarding delivery requirements, quality is considered the most important component.

This was followed by value to ensure that the service will be delivered within the available financial envelope and for the bidder to provide the local authorities with assurances that there will be robust financial and performance monitoring.

Added value was considered though social value, recognising the importance of a

providers wider contribution to the councils ambitions and benefits to local residents.

Conflicts of Interest - No conflict of interested were declared prior to, or during, the preparation of the tender excise, the evaluation or moderation period or the award of the contract.
