Description

The Royal Borough of Kensington and Chelsea (RBKC) is committed to improving accessibility and inclusion across all its services and communications. As part of this commitment the Authority wishes to engage with suppliers regarding capacity in the market to provide a suitable Easy Read Software to support the creation of documents that are easier to understand for people with learning disabilities, cognitive impairments and those who speak English as a second language. The goal of the Easy Read software is to enable staff to produce documents in-house, using standardised templates and intuitive tools, reducing reliance on external providers and ensuring consistency across services.
