## **Scope**

## **Description**

In 2019, Essex County Council (ECC) commissioned the Floating Support Service, which provides a broad range of short and medium- term interventions to prevent homelessness and address other housing related needs. The service is currently delivered by the Peabody Trust (formerly Peabody South-East) (the Incumbent). Operating a peripatetic model, the service delivers flexible, outreach support across the County; providing

targeted, cost-effective interventions to vulnerable adults and their families, who are at imminent risk of losing their accommodation, or whom may be experiencing a period of crisis.

The service is aimed at people across a range of housing tenure, including those accommodated in social housing, owner-occupiers, private rented accommodation, as well as providing support to those who are homeless and require support with applying for accommodation.
