## Scope

### Reference

Ex568

### Description

Ballistic Shields

Specific equipment is required in line with national guidelines.

This contract is to replenish current stock levels that are due to expire.

Shields are required to have CAST DSTL approval and certification.

Awarded via GMP's exemption process as per GMP Contract Standing Orders.

The date the contract is signed the date the exemption has been approved. The contract dates are based on the requirements of the exemption and value. An exemption may not exceed its maximum value and therefore the end date may be sooner if the value is

exhausted.
