### **Scope**

### **Description**

WRAP EU requires specialist Belgian tax advisory services to ensure full compliance with Belgian tax legislation and associated obligations. As WRAP EU does not have any Belgian-resident staff or individuals with Belgian tax IDs, we require an external advisor to manage our tax affairs in Belgium.

The objective of this work is to secure a trusted partner who can provide ongoing advisory support across Belgian tax matters, deliver statutory filings, and guide us through upcoming compliance changes such as the introduction of mandatory e-invoicing in Belgium from 1 January 2026.
