Scope

Reference

ITS2010 NE

Description

The purpose of this framework is provide a web based system to manage and control tail end spend through P-Cards and improve compliance for the Higher Education and related sectors.

The focus would be on tail end spend not covered by established HE frameworks

The list of in scope requirements for software would be:

?Ability to categorise products

?Provision of VAT data required

?Scope for 500+ users per account

?UNSPEC coding of products desired

?Workflows for order authorisation

?Potential for order aggregation

?Reporting capability by Category, Spend, Supplier size

?Capability of restrictions by Category, Market Type, Locality or Product

?Potential for finance system integration

?Training

?Account Management

Suppliers are advised to register and complete the relevant stages on the Central Digital Platform (CDP) if they wish to participate in and bid for this framework.

How to register on the CDP can be found at:

<https://www.gov.uk/government/publications/procurement-act-2023-short-guides/suppliers-how-to-register-your-organisation-and-first-administrator-on-find-a-tender-in-three-easy-steps-html>

Suppliers should be aware that registration(s) could be a prolonged process. Tender submission deadlines cannot be extended to allow for late supplier registrations to the Portal or CDP.

IMPORTANT - Every effort has been made to ensure the accuracy of the information in this notice and is based on the latest information available at this time. However, all information provided in this notice may be subject to change prior to publishing the Tender Notice. Any change(s) will be clearly identified in the Tender Notice.
