IV.1) Description

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The award of the contract without prior publication in the Official Journal of the European Union (OJEU) or the Find a Tender Service (FTS) is lawful because it was conducted through a further competition under a Dynamic Purchasing System (DPS) that was established in full compliance with the Public Contracts Regulations 2015 (PCR 2015).

The YPO 879 Building in Use Support Services DPS was properly advertised at the time of its creation, and all suppliers admitted to the relevant lot(s) were invited to tender.
