Section II: Object

II.1) Scope of the procurement

II.1.1) Title

PURCH2779 Provision of a Maintenance Contract for Bd High Specification Flow Cytometers for the University of Glasgow

Reference number

PURCH2779

II.1.2) Main CPV code

- 50400000 - Repair and maintenance services of medical and precision equipment

II.1.3) Type of contract

Services

II.1.4) Short description

PURCH2779 Provision of a Maintenance Contract for Bd High Specification Flow Cytometers for the University of Glasgow.

The College of Medical Veterinary and Life Sciences currently has eleven BD (Becton Dickinson) instruments located across the

University of Glasgow estate. The instruments are heavily used and play a fundamental role in the research of the College including

medical research and clinical trials.

They must be maintained, serviced and repaired to an exacting standard.

This exercise is being carried out in advance of any formal procurement exercise, it s not a pre-qualification or tendering exercise. All

information contained within this notice is subject to change.

Please refer to PURCH2779 Prior Information Notice & RFI document for full details.

Please return your completed RFI to hannah.dobby@glasgow.ac.uk no later than 12 noon on Friday 12th September 2025. Submitting an

RFI means your organisation agrees to further engagement with the University on this project, prior to any further ensuing procurement

activity.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

II.2.4) Description of the procurement

PURCH2779 Provision of a Maintenance Contract for Bd High Specification Flow Cytometers for the University of Glasgow.

Please refer to PURCH2779 Request for Information & RFI document for full details.

Please return the RFI to hannah.dobby@glasgow.ac.uk by 12 noon on 12th September 2025.

Please note that participation in this RFI exercise does not put your Organisation in a preferential position, but it will allow us to consider

the market capabilities for our requirement.

The purpose of this RFI is for the University of Glasgow to be able to understand what the market can offer so that we can run a robust tender process. The information gathered as a result of the RFI process will assist us to develop our tender strategy.

Suppliers should only note interest if they have the capacity, capability and expertise to provide the minimum requirements.

II.3) Estimated date of publication of contract notice

19 September 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)
