### II.1.3) Type of contract

Works

### II.1.4) Short description

The works, identified during the course of legal claims for disrepair, comprise random repair and maintenance and remedial works to Council owned properties and their environments of which the majority will be occupied. Some repairs may need to be carried out to vacant Affected Properties where the tenants have been temporarily re-housed owing to the extent of the proposed works.

The Contractor should take account that these works are often undertaken within restricted timescales imposed by Court Orders, Injunctions and or legally enforceable agreements and that the execution of the work within these timescales is paramount.

Repair work to occupied properties shall generally be carried out by pre-arranged appointment, made by the Contractor in accordance with instruction from the Contract Administrator.

## VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures:

The contracting authority will operate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers to provide time for unsuccessful tenderers to challenge the award decision before the contract is entered into.

Unsuccessful tenderers shall be notified by the contracting authority as soon as possible after the decision is made as to the reasons why they were unsuccessful. The Public Contracts Regulations 2015 provide that aggrieved parties who have been harmed, or are at risk of harm, by breach of the rules are to take action in the High Court (England, Wales and Northern Ireland).
