DN789003

Description

Leisure SK is looking to procure a single provider that is suited to deliver some refurbishments works to the Grantham Meres Leisure Centre and to provide and install a range of new gym equipment.

To be considered, suppliers must:

- Have a proven track record of working with local authority and leisure trusts
- Offer an app that integrates with the equipment and body analysis machine.
- Manufacture their own strength and cardiovascular equipment.
- Fully project manage, deliver and install the complete solution by 31/12/2025.

- Ensure the total cost of all equipment and associated works does not exceed £240,000 budget.

Suppliers are invited to tender either a price for leasing costs of the equipment, or capital costs for outright purchase, or both for the consideration of the buying authority. The authority has no preference; for evaluation purposes, the cheapest total cost will be used to calculate the total price score.

Suppliers are invited to view and submit a tender to this opportunity, on the ProContract e-tendering portal under reference DN789003. Tender submissions are due by 12 noon 30th September 2025.
