Scope

Description

Activities to support adults to gain a range of life skills to support them in adulthood and as a parent, e.g., managing their home.

These activities could focus on either a specific skills set or a more general a range of skills. This should be proactive, and parents should leave with identifiable new skills and have been signposted to relevant further/higher education or skills development courses as appropriate.

In the past we have run courses on a range of topics such as Personal Development, Volunteer Training, Working with Children.

Innovative ideas are welcomed if there is evidence to show that they work!

Preference in all areas will be given to those organisations able to

clearly demonstrate that their service: -

- is targeting specific and identified need in specific areas within Bromley; and
- is not duplicating statutory provision but is providing additionality

Total value (estimated)

- £100,000 excluding VAT
- £120,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 1 April 2026 to 31 March 2027
- Possible extension to 31 March 2030
- 4 years

Description of possible extension:

It is anticipated that the Contract will commence on 01 April 2026 and be for an initial period of 1 year, with an option to extend on the same terms and conditions for up to 3 years on a 1+1+1+1 basis. The rationale for a contract award of 1+1+1+1 is due to the nature of the service; we require suppliers to be able to deliver specialised services locally across the borough and to be able to fully meet the changing needs of the early intervention and Public Health priorities and most importantly, the needs of the local community and the published priorities, and other Bromley council strategies. All provision will be reviewed on an annual basis to ensure activities/services remain responsive and are continuing to meet the needs of our local community.
