Description

The West Midlands Combined Authority (WMCA) supports the provision of an extensive passenger transport network across the West Midlands, both in fulfilment of statutory duties and to enable access to facilities and services. The WMCA supports the provision of local bus services, by financially subsidising routes that are not provided on a commercial basis by private operators.

A current Subsidised Bus Contracts expiring on 4th January 2026 needs to be re-procured in order to ensure the route contained within the contract remains operational.

Utilities

Justification for not publishing a preliminary market engagement notice

No Market Engagement has been undertaken for the contracts/services being tendered during this round. The decision not to conduct Market Engagement was taken due to potential major changes to the current West Midlands Bus network and the WMCA tendering/commercial model.

Market Engagement will form a key part in any future tender opportunities once the landscape is known, this opportunity to engage will be published to the open market via Find a Tender Service (FTS)
