### **Description**

The Washroom Refurbishment project at Havering College will involve the renovation of 10 washroom areas across the campus, beginning in January 2026 and spanning a 16-week period. The works will be divided into sub-phases to minimize disruption, ensuring that some facilities remain operational while others are renovated.

The refurbishment aims to enhance comfort, hygiene, and overall functionality while creating a more welcoming environment. The careful planning of sub-phases will ensure minimal disruption to daily operations, with each area completed within its designated timeframe.
