Health Checks

Reference number

KMCPH-045

II.1.2) Main CPV code

- 85121000 - Medical practice services

II.1.3) Type of contract

Services

II.1.4) Short description

Eligible adults are entitled to receive an invitation for an NHS Health Check once every 5 years, so in seeking to equalise the distribution of the health checks annually, it will need to cover such a time span. The breaks are suggested to allow for consideration of potential national developments such as a digital NHS Health Check, or workplace health checks, which are both being piloted currently.

The new arrangements will continue to be a GP-led delivery approach, and from a practical perspective this is the only feasible option, since they hold the sensitive eligible population data and no data sharing agreements exist locally which would allow any other provider to have access to this information. We also consider that GPs remain best placed to respond appropriately to the findings of the NHS Health Check and provide the best follow-on advice and/or treatment to the patient depending on the results.

II.1.6) Information about lots

This contract is divided into lots: No
