Planning

The Provision of Alcohol Testing

Ministry of Justice

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-053272

Procurement identifier (OCID): ocids-h6vhtk-05927e

Published 2 September 2025, 4:08pm

Scope

Description

At present, prisons, probation services and approved premises test offender alcohol levels by using breathalysers.

The objective of the Alcohol Testing contract will be to supply an on-site point of contact Breath Alcohol Screening Testing System including all consumables e.g. mouthpieces for use within both a custodial setting and in the community by providers of probation services.

The contract will not commit to specific volumes, and at this stage, no forecast has been established.

This preliminary market engagement exercise is intended to invite suppliers to share information about their products, technologies, and the broader capabilities available in the market.

We are seeking to understand current innovations, delivery models, and potential solutions that could inform the development of our future procurement strategy.

Contract dates (estimated)

- 1 September 2026 to 31 August 2031
- 5 years

Main procurement category

Goods
