Sessions will be held virtually via Microsoft Teams, details of how to attend a one to one session can be found in the RFI documentation.

This will be followed by an in person event hosted by DVSA in Nottingham on 17.09.2025, in which DVSA will present the findings of the RFI to interested parties and seek to gain the views of interested parties on the DVSA's proposed direction of travel. Details of how to access the in person event will be made available via the Department for Transport's Jaggaer portal.
