Description

The WMCA requires the design, development and supply of an Air Quality Schools Education Toolkit for the West Midlands region (7 constituent local authorities) which shall be hosted online. The Air Quality Schools toolkit will be applicable to Key Stages 1 - 4 and freely available for schools and academies to access.

PWLC Projects have been appointed (following an RFQ exercise) to develop an Air Quality Schools Education Toolkit for all key stages. The Toolkit includes lesson plans and interactive activities for educators to teach.
