### **Scope**

### **Reference**

PP-UKIFS-147

### **Description**

UK Industrial Fusion Solutions Ltd (UKIFS), is seeking to select a suitable supplier for the provision of Design Study services for Cryogenic Plant, over multiple years.

UKIFS is seeking industrial experts to assist with the transition from concept development to preliminary design level of the STEP Cryogenic Plant. The STEP cryogenics system is currently in the concept design phase, with the aim of producing a preliminary design for the cryogenic cooling systems for the STEP Prototype Plant (SPP).

The contract is expected to commence in December 2025 and to expire not later than March 2029. There will be options for UKIFS to terminate the Contract and options for UKIFS to re-define the scope of the Contract, at various points throughout the contract period. Estimated values of the contract are stated within this notice. These are absolute maximum values. Any tender which exceeds these values will be rejected.
