This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 11th November 2024 to the following email address: bcicb.primarycarecontracts@nhs.net This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR. The decision makers for this process were Black Country ICB Primary Care Sub-Committee. There were no conflicts of interests declared in reaching the decision to award. The incumbent provider Holland Park Surgery was considered against the 5 key criteria. These criteria are not weighted differently as they are equally important for this service. They are currently meeting all contractual and legislative requirements for primary care GP medical services and enhanced services for the cohort population. The current contract holder is delivering experienced clinical care to a good standard, has scored highly on the most recent GP patient satisfaction national survey and is rated as CQC Outstanding. The assessment against each criterion was undertaken based on the current service delivery model and performance. The supplier meets all the requirements specified to the satisfaction of the Commissioner, and it is expected that they will satisfy the requirements of the new contract going forwards.
