Scope

Reference

T132

Description

This market engagement exercise is a general market enquiry to identify and engage with suppliers who have the potential to collect and dispose of waste by skip and also recycle scrap metal. NI Water are seeking to assess the interest, capacity and capability of the market in providing this type of service. NI Water are also interested in receiving feedback from the market on the different experiences, approaches and models used in other sectors / utilities for the provision of this service.

NI Water also plan to hold one-to-one supplier engagement meetings w/c 22nd September 2025 and an expression of interest for attending a meeting can be made by completing and returning the "Supplier Questionnaire" provided in the "Information Pack".

Further details about the meetings will be issued in due course.

The "Information Pack" contains additional information about NI Water's requirements for this service. Suppliers can request a copy of the "Information Pack" via email at sourcing@niwater.com FAO Dorothy Black The "Supplier Questionnaire" is to be completed and returned no later than 5pm on Tuesday 16th September 2025.

Please note that all suppliers wishing to attend a one-to-one supplier engagement meeting must complete and return the "Supplier Questionnaire".

Contract dates (estimated)

- 1 July 2026 to 30 June 2029
- Possible extension to 30 June 2032
