ABANDONED PROCUREMENT

Thank you for your interest and participation in the above mentioned procurement process.

We wish to inform you that, following internal review, we have decided to abandon the current procurement exercise. This decision has been made to ensure alignment with revised project requirements and strategic priorities.

A new procurement opportunity will be issued in due course, and we encourage you to consider participating once it is published.

We appreciate your time and effort in engaging with this process and look forward to your continued interest.

Scope

Reference

CPU 7400

Description

Nottingham City Council are seeking a fully independent specialist elevator, escalator and access equipment consultancy service, to support the management of passenger lifts and domestic lifts across its portfolio. The consultancy shall have a wealth of experience in developing and delivering lift, escalator and access solutions for the built environment. The Practice consultants shall be experienced in dealing with the particular challenges of all types and sizes of project from large scale & high-rise to single lifts. The consultants may have to work with architects and apply their knowledge to the latest innovations and advances within the lift industry to assist Nottingham City Council with their particular maintenance management functions and project delivery as required. Further information on the scope of services can be located in the tender pack published on Proactis.
