## Debt Resolution Services 2

Crown Commercial Service

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-053885

Procurement identifier (OCID): ocds-h6vhtk-050270 ([view related notices](#))

Published 4 September 2025, 12:27pm

## Changes to notice

This notice has been edited. The [previous version](#) is still available.

We have amended the framework description in the Tender Notice to remove the requirements that Bidders must deliver Cryptocurrency collection and auctioneers services; and litigation as a standalone service. These requirements were included in the original Tender Notice; however, they are not required services for this framework.

## Scope

## Reference

RM6366

## Description

Crown Commercial Service (CCS) as the Authority intends to put in place a Pan Government Collaborative Agreement for the provision of Debt Resolution Services, including but not limited to: debt collection, enforcement, process services, data services and spend analytics to be utilised by any central government or wider public sector organisation looking for effective debt recovery such as collections, enforcement, data services, spend analytics and recovery.

This 4-year closed framework agreement provides access to all types of recovery services for use across all debt streams, to maximise the collection of funds owed to central government and the wider public sector. With input from the Government Debt Management Function, Money and Pension Service, and third-sector partners, the framework is designed to maximise collections and to ensure fair treatment and sustainability of payment plans.
