Pre-market Engagement - Heat network feasibility study - Culham

South Oxfordshire District Council

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-054020

Procurement identifier (OCID): ocds-h6vhtk-05945d ([view related notices](#))

Published 4 September 2025, 3:45pm

Scope

Description

Through this soft market testing exercise, the council wishes to gather feedback on the proposed scope for the heat network feasibility study set out in the specification below, and to gather information on indicative study delivery costs and timeframes.

This activity does not commit the council to running a competitive tender process in the future and is for information gathering purposes only. Participation in this market engagement exercise will not lead to any advantage or disadvantage in any subsequent tendering processes should the Council formally approach the market.

The information provided will be used to inform the project budget and to refine the specification.

All responses will be received in commercial confidence, however you should be aware that the generic content of all collective responses do have to be published as per the requirements of the Procurement Act 2023. Please respond to this preliminary market engagement no later than 5pm Monday 22 September 2025 via the Proactis e-sourcing portal. Please note that it will not be possible to extend this deadline.

- UKJ14 - Oxfordshire

Engagement

Engagement deadline

22 September 2025

Engagement process description

We are seeking to undertake soft market engagement to understand the abilities and indicative costs of the supply chain in relation to undertaking heat network feasibility studies to a potential site at Culham, South Oxfordshire.

Participants are requested to provide their responses in the boxes within the Specification document and return these via the Proactis portal message function no later than 5pm Monday 22 September 2025. This deadline will not be extended.
