Country

United Kingdom

NUTS code

- UK - United Kingdom

The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Northern Ireland Electricity Networks Limited is increasing the value of the framework agreement for the Supply of Earthing and Auxiliary Transformers from £1.81m to £2.98m into the three-year extension period due to increased work programme requirements which has resulted in significant volume increases, in excess of the forecast at the time of the published Contract Award Notice.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Northern Ireland Electricity Networks Limited is increasing the value of the framework agreement for the Supply of Earthing and Auxiliary Transformers from £1.81m to £2.98m into the three-year extension period due to increased work programme requirements which has resulted in significant volume increases, in excess of the forecast at the time of the published Contract Award Notice.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,808,000

Total contract value after the modifications

Value excluding VAT: £2,980,000
