Tender

## **Network Cabling Services**

University of Exeter

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-054255

Procurement identifier (OCID): ocds-h6vhtk-0594da

Published 5 September 2025, 12:30pm

## **Scope**

## **Reference**

UOE/2025/068/SD

## **Description**

You are invited by University of Exeter, acting on behalf of itself, to Tender for admission to a Framework Agreement for the provision of Network Cabling Services in accordance with this Invitation To Tender (ITT). The University intends to award the resulting Framework Agreement to upto 3 Suppliers for a period of 4 years.

## **Commercial tool**

Establishes a framework

## **Total value (estimated)**

- £500,000 excluding VAT
- £600,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 16 October 2025 to 16 October 2029
- 4 years, 1 day

### **Main procurement category**

Services

### **Additional procurement category**

Goods

### **CPV classifications**

- 32421000 - Network cabling
- 51000000 - Installation services (except software)

### **Contract locations**

- UKK - South West (England)
-

## **Framework**

### **Maximum number of suppliers**

3

### **Maximum percentage fee charged to suppliers**

0%

### **Framework operation description**

The University intends to award a four (4) year agreement with up to three (3) suppliers in order to facilitate parallel installation activities where the opportunity to do so arises. The top 3 scoring suppliers will be invited to enter into a Framework Agreement, whereby subsequent work will be committed through a Call Off Contract process. Whereby, Call Off Contracts will either be entered into further to a Mini Competition process or where operational needs require through a Direct Award to the highest scoring bid of the three suppliers on the Framework Agreement. The expectation is that the University will require some 600 to 800 Access Points to be installed in the initial 12 months of the Framework Agreement. An indicative initial plan has been included as per Appendix A to give an indication of the number of buildings, and initial number and type of Access Point to be installed.

### **Award method when using the framework**

Either with or without competition

### **Contracting authorities that may use the framework**

Establishing party only

---

## Participation

### Legal and financial capacity conditions of participation
