Reference

C10275

Description

Anchor is seeking to understand the capabilities of the DaaS market and is carrying out this pre market engagement to assist in building a business case and inform the specification of a possible future tender. At a high level, our requirements include: - All Laptop and Desktop procurement and provisioning services.? - Full Lifecycle management of devices within service scope (DaaS)?. - Standardisation of Group Hardware standards, specifications and formfactors?. - Standard Hardware Lifecycle of 5 years. Anchor welcomes interest from suitable organisations that can deliver broad enterprise DaaS (Device as a Service) services with a proven track record of doing so within the public sector, to explore their solution's capabilities and indicative costs. For further information and to register your interest, the PME documentation can be found here: <https://anchor.my.salesforce-sites.com/?searchtype=Projects> IT DaaS - PME (C10275) If interested in taking part, please click the 'Register interest' button. Note - costings are unknown at this point, therefore an above-threshold figure has been used.
