Description

Jisc's Cloud Managed Services team is looking to procure a FinOps solution which is used for reporting and billing across customer Cloud consumption, Microsoft licensing, and Jisc's internal Cloud usage. Jisc Cloud Solutions are looking to offer a FinOps managed and resell service to its members and customers. We intend to offer this service via the G-Cloud14 Framework. Full details will be provided in the tender documentation, which is yet to be finalised. All dates and values in this notice are estimated and subject to change. Please note that there is no documentation to access at this stage - this will be released upon publication of a formal Tender Notice (UK4) to the Find a Tender Service.
