---

## **Other information**

### **Conflicts assessment prepared/revised**

Yes

---

## **Procedure**

### **Procedure type**

Open procedure

### **Justification for not publishing a preliminary market engagement notice**

In this instance, a preliminary market engagement notice was not published because the need for this requirement was only identified and developed within the last two months. Therefore, issuing an advance notice so close to the release of this Tender notice would not have been beneficial. Additionally, the contracting authority has sufficient knowledge of the market and potential suppliers based on previous similar requirements and market research
