### **Description**

AimstoexplorehowyoungpeopleintheWesternBalkansperceiveandengagewithmediainaner aofwidespreadmisinformationanddisinformation. It will examine what trust in media means to youth, where they source their news, how they assess credibility, and what types of content they are most sceptical of. The study will also investigate how factors like ethnicity, gender, and socioe conomic status shape trust in different platforms, and identify regional trends. Findings will be informed by both deskrese archands takeholderengagement, and will contribute to the matic briefing papers and policy-oriented recommendations aligned with the British Council's broader goals in youthengagement and social cohesion.
