Description

Corserv Solutions Ltd Cormac division wish to appoint a suitably experienced and qualified contractor to supply, install and commission street lighting at Longrock Bus Depot Penzance. The main scheme is to convert the existing two bus depots into one larger shared depot. As part of this scheme, we require a contractor to supply, install and commission the street lighting for the depot. Cormac require 'single high door' columns that are 1.2m above ground and therefore above 6.75m AOD set by Cornwall Councils planning team. Ducting will be installed by separate contractor (with draw cord provided). Main contract conditions - NEC3 option A. Please see attachments included in the specification section for full scope of works. The intention is to award the contract to the most advantageous tenderer based on 100% Price.
