Scope

Description

Bromley Council is procuring the provision of Day Opportunities for Adults resident in the borough. Day activities provide support and activities which aim to support individuals to maintain their independence, learn new skills, and stay socially connected within their communities. The successful provider will be required to deliver a high-quality, building-based day service for adults (aged 18 and over) with learning disabilities and complex needs, including those who present with behaviour that may challenge.

The service must be open and accessible for up to seven days a week ensuring flexibility and consistency in support. It is essential that the service remains person-centred, responsive, and adaptable to the unique and evolving needs of each individual, promoting their well-being, independence, and inclusion.

The service will be based at the Astley Centre, Bromley. The block contract will be based on a defined number of sessions to be delivered. Additional sessions over and above this threshold, will be commissioned on a spot purchase basis with the successful bidder.

The successful provider will need to work in partnership with the Council and other key stakeholder including health partners and carers / families to promote a holistic service to

the people accessing the Service.

Total value (estimated)

- £8,240,000 excluding VAT
- £9,888,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 17 August 2026 to 15 August 2031

Participation

Legal and financial capacity conditions of participation

The Council estimates this procurement opportunity based on best market valuation of an estimated annual contract value for £1,030,000. To be considered for this opportunity, Tenderers shall have a minimum yearly turnover of at least equivalent to this amount.

As a Condition of Participation, tenderers must demonstrate that they have sufficient financial standing to perform the contract.

This will be assessed in the following way:

- The Council will firstly obtain the tenderers' credit rating using Data8 'Business Insights' during the evaluation period. Tenderers that have a credit score of 50 or above and have met any minimum turnover requirements (if included) will be deemed to have sufficient financial standard.

- Tenderers that have a credit rating below 50 will be subject to further financial checks. This will be in the form of ratio analysis based on the tenderers' latest accounts (or other evidence, as uploaded by the tenderer on the Find a Tender site). Specifically, tenderers must demonstrate the following:

- o Trade debtor days to be a maximum of 60 days.

- o Current ratio to be above 0.6.

- o Debt to equity ratio to be under 3.

- If a tenderer does not meet the criteria above, it will be excluded from the process without further evaluation

- For clarity, if you are bidding as a consortium, only the turnover of the members that

meet the financial standing criteria (above) will be considered when determining if the minimum turnover requirements (if included) are achieved.

Technical ability conditions of participation

Question 1 - Expertise and Experience (50% weighting)

Question 2 - Technical Resources and Workforce (50% weighting)

Responses must achieve a minimum score of 2 out of 4.

Please refer to the tender documentation for a full description of the criteria and scoring mechanism.
