## Scope

## Description

The Science Museum Group wishes to establish an Agreement/Contract for the provision of the detailed design, technical commissioning, installation, and de-rigging of audio-visual systems for the Science Museum Group's Horrible Science exhibition. This will cover:

- The design, installation, commissioning and de-installation at the Science and Industry Museum, Manchester.
- The installation, commissioning and de-installation at the Science Museum, London.

The Agreement must also include a warranty for the AV control system that remains valid for the full duration of the exhibition across both venues from its opening in Manchester in February 2026 until the close of the exhibition in London in February 2028.

Please refer to the tender documents for further details.
