Description

The College are looking to appoint a pro-active, professional provider of manned security services. The successful provider will have demonstrated their ability to meet the expectations of the College and provide excellent value for money through a robust competitive tendering process.

Tenderers are encouraged to consider the existing arrangement as being the starting point from which the contract can develop. Using your industry knowledge and expertise the College want to see Tenderers adopt an innovative approach to providing the service which will enable service improvements to users of the College, and increase efficiency within the allocated team through the use of new equipment, technology, training and re-engineering historic practise.
