II.1.4) Short description

Forestry England have established a Dynamic Purchasing System (DPS) under which to place contracts for the erection and maintenance of forest fencing on sites across the Forestry England estate. This will also include fencing for new woodland creation sites throughout England and forest fencing requirements for Forest Research.

The types of fencing required include, but are not limited to: permanent deer fencing, stock-proof fencing, rabbit-proof fencing, forest gates/barriers/water gates. This DPS will allow Forestry England to hold mini-competitions for work as and when required. We intend for the DPS to be live until the 23/02/2029
