Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

In order to ensure continuity of supply of Galvanized Steel Wire Stay Strand this modification extends the term of the Framework Agreement duration for 12 months. It is necessary for NIE Networks to place orders to ensure continued supplies of these items, which are critical to maintain operations until the award of the new procurement process. A renewal procurement process will commence imminently.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

In order to ensure continuity of supply of Galvanized Steel Wire Stay Strand this modification extends the term of the Framework Agreement duration for 12 months. It is necessary for NIE Networks to place orders to ensure continued supplies of these items, which are critical to maintain operations until the award of the new procurement process. A renewal procurement process will commence imminently.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,450,000

Total contract value after the modifications

Value excluding VAT: £1,450,000
