Description of risks to contract performance

The scope of licence requirements over the 2-year contract term is currently unknown. There is a risk that the initial purchase may not cover the full number of licences required to support operational needs. This risk will be actively monitored throughout the contract term. Should additional licences be needed, a contract modification may be initiated to accommodate the increased scope

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

- Single supplier - intellectual property or exclusive rights
- Single supplier - technical reasons

Appian licenses are exclusively distributed by Appian due to their proprietary nature. No other supplier can offer the same product, making competition non-viable.
