#### **II.1.4) Short description**

Angus Council wish to procure a family support service for families with children who are resident in Angus and have been referred by the Children and Families Service. The service has been split into two lots. Lot 1 Early Intervention and Lot 2 Intensive Family Support. The services will provide accessible, high quality, home based family support to secure a nurturing environment for children. A full description and scope of the service is detailed in Part 3 - Service Specification. The service will start 1 November 2025 for a 3 year period to 31 October 2028 with an option to extend for a further 2 years. The estimated value provided is for both lots over the 5 year contract term. It is anticipated that the Transfer of Undertaking (Protection of Employment) Regulations 2006 (as amended) ("TUPE"), may apply to this contract. The Council's preliminary view is entirely without prejudice to the responsibility of Bidders to form their own views on these matters and to take their own independent professional advice. Full information provided in tender documents - Part 8

### **II.2.4) Description of the procurement**

Early intervention for Children and Families affected by substance use, offending and or/anti-social behaviour and providing early help to families to the first concerns or signs of distress – with a proviso to spot purchase additional support if required e.g. for “time out”. The service will respond to the needs of children and young people, with a focus on those aged 5 to 18 years who have experience of parental substance use, poor parental mental health and who may be living in households where there is domestic abuse. They may also be involved in offending or anti-social behaviour. The Service Provider will have a comprehensive understanding of the impact of these issues on the lives of children and young people in order to achieve the desired outcomes for children and young people. Services should be therapeutic, and trauma informed and focus on building resilience and reducing risk. The estimated value is for the 3 year contract term plus the option to extend for 2 year period.
