Description

Westminster City Council (WCC) are recommissioning their Homeless Singles Supported Housing Service (previously titled Transitional Housing Approach).

The service is a pivotal and strategically aligned provision at the heart of the WCC's Homelessness and Rough Sleeping Strategy 2024. This service is a cornerstone of our ambition to prevent homelessness, enhance recovery, and transform lives through a dynamic, tailored, and outcomes-driven approach.

The Contract will deliver accommodation-based support to a portfolio of 58 bedspaces across six properties (three 24/7 staffed sites and three satellite step-downs units) based in Marylebone and Maida Vale.

Referrals into the service will be single individuals who are homeless or at risk of homelessness with associated complex support needs including mental and physical

health, substance misuse and criminal behaviours. The referrals will be made by [not exclusively] Probation, Housing Solutions Service, Adult Social Care, Street Outreach Teams and Statutory Mental Health Services.

Objectives of the Service is to appropriately support service users to

gain independence, experience improved health and wellbeing, access education, employment and training and transition into longer term more stable accommodation. Effective partnerships with the referring agencies, third sector and community-based organisations will be instrumental to achieving the outcomes required

The estimated commencement date of this contract 01/01/2026. The estimated service commencement date is 01/04/2026. The initial term of the contract is a 3 years. The Contract may, at the Authority's discretion, be extended for a further period of up to an aggregate of two (2) years, with a total contract period of five years (calculated from the Service Commencement Date), expiring no later than 31 March 2031.

During the Contract Period the Authority may, at its sole discretion, require additional Services to be delivered by the Provider, i.e. additional units of accommodation based support. Further details of this possible increase and how it may be implemented are set out in the Specification and Contract. As such, the Authority anticipates there could potentially be an increase in the total value of the Contract of up to 20% of its total 5 year budget.

The budget published includes this 20% additional capacity.

There will be a tender event will be conducted via Microsoft Teams on Monday 15th September 2025 This is an excellent opportunity to gain insights into the tender requirements, ask questions and provide feedback.
