VI.3) Additional information

This contract has been awarded under the urgent circumstances provision of the Provider Selection Regime (PSR) Health Care Services Regulations 2023. For the avoidance of doubt, the provisions of the Procurement Act Regulations 2024 do not apply to this award.

The urgent nature of this modification was not foreseeable by or attributable to the relevant authority. The NHSE further consultation on the NHS Standard Contract was not finalised until 8th May 2025. The new service conditions allowed the commissioner to set an Indicative Activity Plan for the Contract Year where an IAP could not be agreed after a period of time.

Because the contract ends part way through the year (31/08/2025) and the financial position an urgent modification has been put in place to allow the commissioner to manage activity for the year and to ensure there is no significant risk to patients who have planned surgery with the provider.

This award has no impact on market opportunities for these services to potential new providers, a Direct Award Process B may still be undertaken if a new provider wishes to provide these services to Norfolk and Waveney Service Users. Any providers who are reading this notice and wish to provide the same services are welcome to contact the commissioner at nwicb.contractsandprocurement@nhs.net

This decision was made by Associate Director of Contracting and Procurement and approved by Norfolk and Waveney ICB Executive Director of Finance on 29th August 2025.

No conflicts or potential conflicts of interest were declared.

Contract to be extended for 7 months from 31st August to 31st March 2026 by urgent modification. The estimated value of modification £1,844,638. This value is greater in comparison to previously due to the new IAP rules and increased activity levels.
