Supporting people into recovery from substance misuse issues is a priority for the city, more specifically, it is a key component of Pillar 4 of the Council's City Plan. It is explicitly addressed in the people with complex lives section as follows: "Improve control over people's daily life; reduce alcohol admissions; reduce emergency admissions to hospital and improve mental wellbeing".

It also meets the ambitions of the Homelessness and Rough Sleeping Strategy 2022-27, particularly the priority relating to Integrating Health.

The agenda for the session on 22/09/25 will consist of:

- Overview for services and plans
- Key timelines
- Q&A

Providers only - Please outline your interest by messaging via ProContract messaging area to book a place with your email address and contact details. You will then receive a reply with the meeting invite link.
