### **Scope**

### **Reference**

D030PA

### **Description**

ECC's subscription to Century Tech Smart Initial Assessment and resources platform.

Through its use of artificial intelligence, the platform personalizes learning journeys for individual users by selecting the topics they most need to learn, and presenting learning material in the form they will find most useful. CENTURY also reduces educators' workloads through automated marking, data analysis and gap finding, and due to its pre-loaded bank of learning resources.
