Description

This is a Preliminary Market Engagement Notice published by the Business Services Organisation (BSO) Procurement and Logistics Service (PaLS) acting on behalf of the Northern Ireland Public Health Laboratory (NIPHL) which is part of the Belfast Health and Social Care Trust (BHSCT).

BSO PaLS on behalf of HSCNI are seeking engagement with the market place for supply of a Microbiology Membrane Filtration System.

We invite prospective suppliers to participate in this initial market engagement exercise by completing the Preliminary Market Engagement Questionnaire (CP12).

The purpose of this questionnaire is to: gather insights from the marketplace to ascertain the market's capabilities, update and inform the Buyer of what is currently available and to access any recent developments or innovations in relation to the supply and delivery of a Microbiology Membrane Filtration System.

Suppliers who choose not to participate in this engagement will still be welcome to take part in any future procurement process.
