Tender

## City Centre Wardens for Wrexham

Wrexham County Borough Council

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-055786

Procurement identifier (OCID): ocds-h6vhtk-05988e ([view related notices](#))

Published 11 September 2025, 12:32pm

## Scope

## Reference

Proc 24-272

## Description

Wrexham County Borough Council (WCBC) is looking to appoint a sole Contractor to provide a City Centre Warden service as per the contents of this notice and accompanying tender documentation.

The Contractor will provide a reliable, accurate, prompt and dependable service that is helpful and responsive to the needs of the public and Wrexham County Borough Council.

The successful Contractor will be expected to provide the Council with two 'wardens' for a minimum of 80 hours per week (40 hours per warden).

Tenderers must be flexible with their service delivery and capable of delivering 80 hours across any day or time during a seven-day week. It is expected that the majority of the contracted hours will be delivered in 8 hour slots between Monday and Friday, but there may be instances where the Council needs to vary this or requires weekend working

instead.

Tenderers must therefore be willing to work weekends and unsociable hours to support a flexible delivery model as and when requested by the Council.

In delivering the service the City Centre Wardens will work collaboratively with partners to identify and diffuse anti-social behaviour (ASB). They will liaise with a range of partners including business owners, door staff and the emergency services to ensure that Wrexham's City Centre is welcoming and safe to visit.

The Service provider will work in partnership with relevant agencies to:

- Maintain a consistent and approachable presence, building rapport with the public and businesses.
- Use real-time communication with CCTV and emergency services to respond swiftly to incidents.
- Participate in multi-agency briefings and patrols, ensuring joined-up working with police, outreach teams, and council officers.
- Gather and share intelligence, contributing to long-term problem-solving and community resilience.

For full details of the tender and service requirements, please refer to the full tender documentation available free of charge via the [etenderWales](#) portal.

### **Total value (estimated)**

- £225,000 excluding VAT
- £270,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 1 December 2025 to 31 March 2028

- 2 years, 4 months

## **Options**

The right to additional purchases while the contract is valid.

Throughout the Contract Term it may be necessary for WCBC to increase the weekly hours beyond the specified 80 hours (40 hours per warden). This may happen when events are held within the City Centre or if additional support is required by WCBC to support potential security threats, anti-social behaviour or if the PSPO boundary expands. For example, this may include sports events, music events, markets, festivals, or threatening behaviour from members of the public. Please note that the above is not an exhaustive list.

At the time of tender Wrexham County Borough Council (WCBC) intends to purchase the service detailed within this tender and its attachments, however, it may be possible that throughout the term of the Contract WCBC receives additional funding that will allow for an increase in service provision / units / or equivalent supplied through this Contract.

Where additional funding becomes available, regardless of its source, WCBC may request the successful Tenderer to increase the number of hours and / or personnel supplied through this Contract.

Please note that WCBC cannot guarantee that there will be any sort of increase in service provision during the Contract term. At the time of tender all tenderers should submit their offering and pricing structure based off the published documents, not the possibility of additional hours/services being made available.

The detail within this section has been included for information purposes only to make tenderers aware of future possibilities.

## **Main procurement category**

Services
