- UKF1 - Derbyshire and Nottinghamshire

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Extreme and unavoidable urgency

The Council first became aware in March 2025 while it was determining the routes for procurement of a new contract to deliver its finance and payroll software that SAP Concur licences were required. However, it only became clear in July that there was no suitable alternative procurement route available to provide this integral element of the project within the project timescales.

There is no time to reprocure through an open tender and no suitable framework which the Council could use for the required contract term.

The Council has conducted a desktop evaluation in order to evidence that directly awarding to Concur Holdings ensures value for money
