Scope

Description

The requirement is for the provision of fixed Electricity (REGO) in accordance with the specifications set out in the Invitation to Tender (ITT). The contract is due to commence on 1 October 2025 and may include the addition of further sites during the term. The initial contract period is 24 months, with the option to extend, up to a maximum duration of 4 years. The procurement will be conducted in line with the Procurement Act 2023, ensuring a fair, transparent, and competitive process to identify the most advantageous tender for our client.

Total value (estimated)

- £500,000 excluding VAT
- £600,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 October 2025 to 30 September 2027
- Possible extension to 30 September 2029
- 4 years

Description of possible extension:

Following the expiry of the initial fixed term, the Contracting Authority reserves the right, at its absolute discretion, to extend the contract. Any extension shall be subject to the Authority's requirements at the relevant time and may be structured in a manner deemed appropriate by the Authority. The decision to exercise this option, and the form it may take, rests solely with the Contracting Authority. Under no circumstances shall the total contract duration, including any extensions, exceed four (4) years from the initial commencement date. This extension provision is made in accordance with the principles of the Procurement Act 2023, ensuring transparency, fairness, and value throughout the contract lifecycle.

Justification for not publishing a preliminary market engagement notice

Premarket engagement is a recommended step to ensure informed and effective procurement activity. As an energy consultancy, our role involves continuous and direct engagement with the energy markets. This includes regular interaction with suppliers, monitoring of market trends, participation in industry forums, and ongoing analysis of commercial and regulatory developments. This sustained market presence provides us with up-to-date intelligence and supplier awareness, which informs our requirements and procurement approach. We consider this level of engagement to constitute sufficient and appropriate premarket engagement for the purposes of this tender, ensuring the process is compliant, market-aware, and proportionate.
